To: Info-Tel Directories,

I am very pleased with the results from Info-Tel Directory advertising program. I do not advertise in other directories, so it is easy to track my advertising. I can say without a doubt that my business growth due to telephone traffic is approximately 98% due to Info-Tel advertising.

At one point I was unsure whether to continue my ad, but the phone started ringing, and I quickly called my sales representative to continue my ad. The results were 2 more listings, several purchases and numerous inquiries.

I highly recommend my sales representative, Steve Chung, who is very professional and creative. With his guidance, my ads bring better results. I look forward to our continued relationship over the next years.

Sincerely,

Lillian Czaplán
