Dear Randy,

Thank you for coming in to see us this year.

We have advertised in your book for several years but last year we decided not to advertise. I must say that our phone used to ring off the hook, this past year, it's not ringing so much!

Note: We are very impressed with your quick handling of our art this year and appreciate you dealing the head office to qualify the ad for Co-Op dollars, (That takes a load off my plate).

Sincerely,
